

1.03 One Revolutionary War

author:

2026-06

Synopsis

Should France participate in the American Revolutionary War? The French cabinet was divided on the issue. The new King's decision had a tremendous impact on French society and laid the building blocks for the French Revolution of 1789. As the revolutionary war waged in the Americas, the popular minister Jacques Necker made powerful enemies at home. The Grey History Community Help keep Grey History on the air! All members of the Grey History Community have an ad-free version of the show. Support the show here. About Grey History: The French Revolution and Napoleon is a podcast dedicated to exploring the complexities of our history. By examining both the experiences of contemporaries and the conclusions of historians, Grey History seeks to unpack the ambiguities and nuances of the past. Understanding the French Revolution and the age of Napoleon is critical to understanding the history of the world, and the American Revolutionary War has a tremendous impact on both. So join us on a journey that would be almost unbelievable if it weren't for the fact that it's true! If you're looking for a binge-worthy history podcast on the Revolution and Napoleon, you're in the right place! Learn more about your ad choices. Visit megaphone.fm/adchoices
