Synopsis

(quick disclaimer: if you hear any weird noises, that's my microphone being very naughty)

(quick disclaimer numero dos: if you hear any sounds like water running during the outro, the shower was running.... :D?)

I apologize for this getting postponed, I took a very spur-of-the moment break. So, I guess this is 3 specials in 1! I collected so many questions from friends, family, and you guys, my listeners. All the questions took up two full pages in my notebook! I want to thank y'all for so many plays, you all mean so much to me. Also, random side note, I'm listening to some Taylor Swift music while I write the description for this episode, so here's a music break.

“gOt a LoNg LiSt Of StArBuCkS IOvErSâ€”

“tHeY'IL tEIL yOu I'm iNsAnEâ€”

“bLaH bLaH bLaH tAyLoR sWiFtle StUfFâ€”

(yes, I know those aren't the correct lyrics. Continue my cover in the comments xD) Just so you know- and so this doesn't get destroyed by copyright- that was my beautiful rendition of Blank Space by Taylor Swift. SLAY, AM I RIGHT? Listen to the full 55-minute episode for more jokes like this! Have a great day. ~Juniperheart~
