Irish mystic and internationally best-selling author of *A Message of Hope from the Angels*, Lorna Byrne has been seeing angels her whole life. In this original, Byrne reveals a special type of angel, the blessing angel, that only appears during the holiday season. These angels offer us new beginnings and infuse us with faith that makes the connection among our soul, heart, and mind stronger - no matter what our religion. And when they touch us, they help us to realize how truly blessed we are. Lorna shares what she sees the angels doing at this time of the year to help us appreciate the important things in life and to infuse us with the angel's messages of hope.
