

All for Me

author: Deborah Garland

2026-06

Synopsis

author	Deborah Garland
readBy	Auri Alden, Stephen Borne
inLanguage	english

I never thought I'd see her again. Considering she left me at the altar... After five years since the disappearance of my fiancée, I'm still looking over my shoulder. When she shows up back in our small town, I'm shocked, to say the least. But I need answers in order to put the past behind me.

But one kiss changes everything. Just when I'm a heated powder keg ready to blow, Faith announces she's moving to London. That means she's off-limits. I survived her leaving me once. I doubt I'll survive again.

Every attempt to keep distance between us fails when her smile draws me in all over again. Keeping Faith close to me might end in disaster, but I can't get enough of how she makes me feel.

When the chance to make her mine again is within my reach, will the truth she's hiding about why she really left ruin any chance we have to make it work this time?

If you love small towns, good cops, and runaway brides with heart-pounding endings, *All for Me* is the second-chance romance for you.

No cheating. No cliff-hangers. HEA Guaranteed.

Previously published as *Must Have Faith*. It has been extensively rewritten and is now in first person.
