All the Reasons I Hate My 28-Year-Old Boss from 2x Emmy®-nominated TV producer Phillip Andrew Barbb is an entertaining, comedic, and motivational business/personal development book that tackles some of the common frustrations, annoyances, and mental hang-ups of being a member of today's youth-driven workplace. Whether you're a corporate leader, a human resource professional focused on bridging the generation gap, a blue-collar worker trying to decode ridiculous orders from your millennial boss, or you're somewhere in between, it's time to reclaim your power in the workplace and fight back against an age-obsessed society.
