A serial rapist is kidnapping teenage girls. But he's not interested in just any teenage girls - only virgins. He hunts them by following their status updates and check-ins on social media. Once he's captured them, they're locked away in his sound-proof basement until they're groomed and ready. He throws them away like pieces of trash after he's stolen their innocence. Nobody escapes alive.

Until Ella.

Ella risks it all to escape, setting herself and the other girls free. But only Sarah - the girl who's been held captive the longest - gets out with her. Both girls are hospitalized and surrounded by FBI agents who will stop at nothing to find the man responsible. Ella and Sarah are the key to their investigation, but Sarah's hiding something, and it isn't long before Ella discovers her nightmare is far from over.
