

Astrology and Religion Among the Greeks and Romans

author: Franz Cumnot

2026-01

Synopsis

author	Franz Cumnot
readBy	Joseph Sepe
inLanguage	english

Franz Cumnot investigated various ancient sources of astrology and astronomy, including the Mesopotamian and the Mediterranean. The book discusses these early origins, supplemented by the author's theories. From Sumeria, the cradle of astrology and astronomy, the knowledge spread to Greece and Rome where it became entwined with paganism.
