Driving to distant cities to meet with people she didn't know and pitching fashion-based ad campaigns is old hat to Marny Sands, but from the very beginning this particular trip was different. For one thing, what kind of a fashion company held a business conference in a remote place like Butte, Montana? She dutifully went to the meeting, but the man she found there definitely was like no other she'd ever seen. Tall, sexy, Italian, his very presence fired her up to fever pitch. So tantalized was she that she willingly succumbed to her desires. But when Kyle Rose found himself without a condom, and neither one wanted to stop, there was nothing else to do but improvise in the most delightful of ways.
