Welcome to a real-world MBA, where entrepreneurs guide you through what it really takes to start, scale, and sell your own business. Your hosts: J and Carol Scott, who left careers in corporate management to launch their own house-flipping business. Every Tuesday, you'll meet a new guest and learn actionable tips for hiring, firing, marketing, raising capital and more. So whether you're looking to boost profits or bring a new idea to life, you'll come away informed and inspired. Tune in, and learn how to treat your business like a business!
