

Black Moon

author: Elle Keaton

2026-06

Synopsis

author	Elle Keaton
readBy	Michael Dean
inLanguage	english

One corpse, two corpse, old corpse, new corpse.

Summer is crashing into fall, Mat and Niall have a wedding to overthink.

A body is discovered floating in the harbor, and this time it's the missing ex-Piedras Marine officer Duane Cooper.

Who, aside from Niall, wanted Duane dead? He's been on the run for months, why would he turn up dead now?

Black Moon, third in the Veiled Intentions series. *Black Moon* is a dual POV following Sheriff Mat Dempsey and now Private Investigator Niall Hamarsson as they grope their way to a happily ever after.
