## Synopsis

---

author	Andrew Cunningham
readBy	Greg Hernandez
inLanguage	english

Gunned down on a busy Boston street, bestselling mystery author Sabrina Spencer is left clinging to life. Media speculation suggests a deranged fan as the shooter. But was Sabrina really the intended target?

For Del Honeycutt, a chilling link emerges between Sabrina's shooting and that of his father's murder three years earlier. Discovering that his father was leading a secret life, he digs deeper, and the clues lead Del down a dangerous and deadly path.
