Taylor Finn aspires to be a stunt driver, but driving a limo is what pays the bills. When she finds herself chauffeuring a drunk guy harassing his date, she leaves him stranded and is sure sheâ€™s going to get fired. Maybe it's finally time to pursue her dream.

Iris Flemingâ€™s flight to Atlanta was a scene from a disaster movie, the scariest landing ever. Sheâ€™d desperately wanted a part on a new sci-fi series, until the director made a pass at her. Now Iris doesnâ€™t want the role and has no intention of getting back on a plane.

Making their escape from Atlanta, Iris and Finn end up at Hideaway Haven, in neighboring cabins. Iris isnâ€™t sure whatâ€™s scarier, sexy Taylor Finn or woodland nighttime noises. But maybe they can help each other out. There are schools for stunt drivers in LA, and Iris needs a ride. Wrong turns and roadside hijinks ensue as Iris and Finn set off on a road trip, chasing the sunset and falling for each other along the way.
