On the enigmatic planet of Veteris, children from across the universe are summoned to undergo a transformative rite of passage, where their strengths and weaknesses are laid bare for all to see. Yet, when a group of children from a distant blue planet unexpectedly ascends to power, the delicate balance of Veteris is shattered.

Crowned Queen, one child reigns with an iron fist, defying the natural order and plunging Veteris into darkness. As whispers of danger echo through the cosmos, the true guardians of Veteris, the godlike Children, issue a plea for saviors.

Answering the call is a family of four children from that same blue planet, thrust into a world of peril and intrigue. With courage as their guide and uncertainty their constant companion, they must navigate treacherous landscapes and confront the Queen's tyranny to save Veteris from impending doom, all while keeping their family together, and alive.

Will they triumph against all odds, or will their quest end in despair? The fate of Veteris hangs in the balance, and the journey of these brave children holds the key to its salvation.
