From USA Today best-selling author of The Biker Series comes a sexy, holiday story to get your motor revving.

Meet Dodger, the newest prospect of the Gold Vipers... and long, lost half-brother to Raptor and Jordan Steele (The Judge).

Cocky and arrogant, just like his siblings, he doesn't much like doing the grunt work expected out of him, but willing to do what it takes to prove his worthiness to the club. Even during Christmas, which isn't exactly his favorite time of the year. Amused by his Scrooginess, Raptor puts him in charge of collecting holiday donations and dressing up as Santa Claus for several biker events, which doesn't exactly thrill Dodger.

Chloe Wilson loves the holidays and happily volunteers to help the Gold Vipers collect toys and raise money for the homeless. Until, that is, she is thrown together with Dodger, the grumpy biker who has about as much Christmas spirit as a deflated football. The two clash, at first, but then holiday magic catches up with them when they get trapped in a horrible blizzard together.

No cheating and HEA.
