inLanguage	english

USA Today and *Wall Street Journal* best-selling author Tracy Lorraine brings you the next installment of her forbidden dark mafia high school bully romance story set in the Knight's Ridge Empire world.

I learned from a very young age that the only person I could count on was myself.

For years I've been content with meaningless one-night stands and zero promises for tomorrow.

I had a good thing going, until he crashed his way into my life...and heart, and wrecked them both.

Nico Cirillo.

The bad boy mafia prince and the one man who's ever left me craving more. Not that I'll admit that.

And now, he's not only a mistake I've made time and time again, he's everywhere I turn.

Taunting me. Tempting me.

Doing everything in his power to screw up my life, tarnish my reputation, and corrupt the only dream I've ever had.

But while I'm pushing as hard as I can to keep him away, his reckless decisions and hotheaded behavior have forced him to reconsider.

His U-turn is enough to give me whiplash, but it's nowhere near enough for me to lower my walls and let him in.

To give him a chance he doesn't deserve.

It's going to take more than a bit of groveling after all the ways he's hurt me, even if it is on his knees.
