

Day 131: Hope for the Future (2024)

author:

2026-06

Synopsis

Fr. Mike preaches hope for the future of those with wounded hearts as we read the stories of Tamar, Amnon, and David. No matter what's in your past - things you've done or things that have been done to you - there is abundant hope for your future because God desires to make you whole. Today's readings are 2 Samuel 13, 1 Chronicles 17, and Psalm 35. For the complete reading plan, visit ascensionpress.com/bibleinayear. Please note: The Bible contains adult themes that may not be suitable for children - parental discretion is advised.
