**An all new digital audio edition of DEATH ON THE NILE narrated by Kenneth Branagh, director and star of 20th Century Studios™ upcoming *Death on the Nile* feature film.**

The tranquillity of a cruise along the Nile is shattered by the discovery that Linnet Ridgeway has been shot through the head. She was young, stylish and beautiful, a girl who had everything – until she lost her life.

Hercule Poirot recalls an earlier outburst by a fellow passenger: “I’d like to put my dear little pistol against her head and just press the trigger.” Yet in this exotic setting nothing is ever quite what it seems!

Kenneth Branagh reprises both his directorial role and that of the iconic detective in the upcoming film adaptation of *Death on the Nile*. Listen to the book now, and see the thrilling mystery come to life on the big screen soon!
