She is far too stubborn and feisty for his tastes.

He is too controlling and domineering for hers.

When they meet, sparks fly but it could never work. He wants a perfect submissive wife who will be a help in daily life and a vixen between the sheets. She wants an equal partner, not someone with his head stuck in the 1950s.

When they are thrown together to uncover a dangerous scandal in their small town, they will finally give in to their mutual attraction.

But will it last?

Can he love a woman who challenges him at every turn? Can she love a man who demands her complete submission?
