## Synopsis

---

author	Chris Fabry
readBy	Kate Forbes, Joseph Collins, Stevie Ray Dallimore, Tom Butler
inLanguage	english

Told from multiple perspectives and laced with startling twists, *Dogwood* by acclaimed author Chris Fabry, is an emotionally rich tale of suffering, sacrificial love, and redemption. A single visit to a West Virginia prison can't resolve the tragic pasts of convicted child-killer Will Hatfield and his former sweetheart Karin. While she struggles with haunting regrets, Will vows to wait for her, no matter how long it takes.
