

Dr. Xivray and the Presidential Peril

author: Greg Tulonen

2026-06

Synopsis

author	Greg Tulong
readBy	Cara Firestone
inLanguage	english

Dr. Niskayuna Xivray is an inventor, surgeon, explorer, computer programmer, and Olympic medalist archer. He is the director of the Xivray Institute, a loose affiliation of quirky scientists and adventurers. The doctor also has a personal secret that would shock the world.

Working with a new recruit with mysterious abilities of his own, the Institute takes on its toughest challenge yet, an unknown enemy who's psychically controlling the president of the United States.
