inLanguagei¼š	english

I need money to save my fathers life, and only Draven can help me....

So I do whatever it takes and make a deal with the devil.

The deal? A loan for my father if I start stealing drugs from the pharmacy for the club.

I didn't want my life to come to this, but I didn't want to lose my father.

This will bring danger to my doorstep. Will Draven keep me safe?
