A wandering outcast must reconcile their brutal past and their need for vengeance in this action-packed fantasy novel from the Descent: Legends of the Dark series.

Soldier. Dreamer. Exile. Dragon hybrid Vaerix has already lived in age in Terrinoth and seen more than their fair share of horror and hatred. Cast out for their strange ability to dream, Vaerix wanders the world in search of connection. When an expedition to the volcanic Molten Heath offers Vaerix the chance to confront those who wronged them, they cannot resist the temptation. But there is more at stake than treasure and revenge. There are powers here beyond comprehension, and everyone has their own game to play. The future of Terrinoth will be written in blood and fire.
