

Ep. 45 - HORSEYBIRD!

author:

2026-06

Synopsis

*After 144 magical episodes, we decided to change our name to better show that we stand with the trans community. We are unable to change our name within those episodes, but will be using For Fawkes's Sake starting at episode 145 and going forward! New name, same magical Harry Potter compare and contrast!

While we love Harry Potter, we do not condone or agree with its creator's ignorant opinions. We stand with the trans community.

Join us this episode as we continue Harry Potter and the Prisoner of Azkaban, covering the second half of Chapter Six (Talons and Tea Leaves) and the corresponding film scenes!

We post weekly podcast episodes comparing and contrasting the Harry Potter books to the movies, Potter Ponderings, a weekly trivia question (that can win you a sticker!), Sorting Hat Stories, and other Harry Potter related fun! Please subscribe and join us as we delve into our favorite book series and the films that brought them to life.
