After receiving his divorce papers, Cameron is ready to move on from his failed marriage and have a little fun. Not that he thought about it often, but when he pictured his freedom, he always pictured it with a bevvy of women. That is until he meets Troy.

With pale green eyes, cafe au lait skin, and a bright smile, Troy takes Cameron's breath away. He's smart, good-looking, and gay. Though Cameron had never thought of himself as gay, He begins to question himself even more after his initial encounter with Troy.

Is it possible for someone who's been straight his whole life to fall for another man? Does Cameron pursue his curiosity, or does he hesitate to commit to a world unknown to him?

As a token of our appreciation, we have included six gay bonus stories for your enjoyment!
