William McInnes, one of Australia's best known storytellers and actors, has turned to a subject that is close to his heart. *Fatherhood* is about family, about memories of his father and the memories he's creating as a dad himself, with his own son and daughter.

Warm, witty and nostalgic, these tales are just like a friendly chat over the back fence or the banter of a backyard BBQ. They will stir your own memories: of hot summer days and cooling off under the sprinkler while Dad works in the garden with the radio tuned to the sports results; that time Dad tried to teach you to drive - and then got out of the car and kissed the ground; or taking your own kids on a family road trip.

*Fatherhood* is full of memories: the happy, the hilarious, the sad, bad, and the unexpectedly poignant moments. You will laugh, you may even cry - but you will recognise yourself and those you love.
