Morning sickness sucks. Which is why fashion designer turned amateur sleuth Maddie Springer has spent the last six weeks being a couch potato and Moonlight vampire movie devotee. But when Maddie's best friends finally convince her to venture out, Maddie stumbles on a dead body of a girl who has been bitten on the neck, and life suddenly imitates art in the most deadliest of ways. Now Maddie is smack in the middle of a murder investigation involving a deadly dance club and a coven of Hollywood "vampires".

Not to mention navigating the world of baby showers, diaper genies, and Lamaze classes with her LAPD homicide detective husband who would rather his pregnant wife not continue popping up in his murder investigation. Between the hormones, the homicides, and a flurry of fangs, Maddie and her gang work to track down the deadly truth...before the killer bites again!
