Dr. Dave Walker was a successful anesthesiologist with a special interest in the intensive care unit (ICU). Disillusioned with God after a series of tragedies, he was living for himself and his work. Yet he longed for more than just physical healing for his patients, which set him on a quest to find a God who cared. After a dramatic encounter, he started praying with his patients. Suddenly things happened beyond anything he could have imagined. Patients were healed miraculously; others experienced Jesus bringing comfort and peace; and still others felt the power of God's love in the face of tragedy.
