Gourds be gored!

Farmer PF Kin pours pride and joy into his work: a pumpkin farm so fruitful it spills into the neighboring cemetery. But PF's dreams of sweeping the county fair are quashed when his prize-worthy pumpkins are crushed to pulpy smithereens!

PF will stop at nothing to find the ones responsible for crushing his dreams and save the rest of his crop from a fate worse than death. His hopes and dreams are pinned on Big Maxine—a 200 lb. pumpkin sure to win him first prize.

Will PF solve the mystery before it's too late, or will his gourds be gored? Will Big Maxine's ribbon be blue or black?

Graveyard Shift is the latest short mystery from author Kathryn LeBlanc. If you like rustic settings, folksy characters, punny quips, and spooky twists behind every crypt, you're sure to love her haunting new tale.
