Synopsis

author	Pam Godwin
readBy	Lucy Rivers, Connor Crais
inLanguage	english

"A buffet of all things deliciously dark and naughty." (Di, Twisted Book Reviews)

My vow of celibacy has never been broken nor tempted, not even when the plague thrust me into a lawless, brutal world. So why did God send the only surviving woman to a priest? To test me? Or to save me?

This stand-alone novella can be listened to as an introduction to the Trilogy of Eve or as bonus material between the other books.
