There is tension between the human and vampire communities, and war is inevitable. It is down to Rose to act as the human diplomat to restore the peace between the two sides. However, after an assassination attempt, Rose finds herself in the protective custody of brothers Zach and Aram. Only thing is, they are both vampires - the very thing that Rose has no trust for.

Rose fears they want her blood. The truth is they are there to protect her blood as there is a lot more to this situation than meets the eye. Now, in order to protect Rose, the brothers must keep her close. But soon the three of them find themselves closer to each other than any of them ever expected....

If you are looking for an amazing vampire romance full of secrets, mystery, and conspiracy along with action, adventure, and lots of steamy love-making, then you have found it. This is perfect for anyone who loves a different spin on vampire romances.
