2026-06

Synopsis

I have a big announcement and I'm incredibly excited to share it with my audience first. In this episode, I also discuss the latest conspiracy theory being pumped by the left in order to assist them in unraveling the country, and the latest strong move by this growing force in the GOP. News Picks: Ron DeSantis strikes again! Second Amendment Rights are under attack in Florida. Democrats, without evidence, rush to blame the attacks in Atlanta on "white supremacy." How "woke" white liberals are turning Minorities into conservatives. No, the latest DNI report doesn't say that the Hunter laptop story is Russian disinformation. Yes, the Biden tax hike will hit people making under 400k. Copyright Bongino Inc All Rights Reserved. Learn more about your ad choices. Visit podcastchoices.com/adchoices
