Susie recently attended a benefit for WAMM, the Wo/Men's Alliance for Medical Marijuana, in Santa Cruz, California. At the benefit, Paul Krassner, the father of underground journalism, posed the question: How come you can't find any good acid anymore? Susie loved the ensuing discussion, and it all reminded her of her first communion. In the Catholic Church. Really. Then, in the *Try This at Home* mailbag, Susie answers a letter from a friend whose older lover thinks she's "too wet" during sex. Don't forget, you can send your completely confidential questions and feedback about the show to susie@audible.com. (Episode 226, November 18, 2005)
