After losing my job and my home in the same day, I need a miracle. And that miracle is coming in the form of an interview with the son of a local oil baron, Gentry King. The catch? I have to hop on a private jet with said gorgeous oil baron to get to the interview.

Except, I miss the interview when we get waylaid by a snowstorm. Now I'm stranded with Mr. King. In the same hotel room. With only one bed.

I've made a promise to myself - no more women. It's not like I'm a love 'em and leave 'em kind of guy. They all know the score, and they're all looking for the same thing I am. But I have to set a better example for my grown sons, who seem to be making all the wrong decisions when it comes to their relationships.

The last thing I need is to be stranded in a snowstorm with Kendall, 20 years my junior and unintentionally sexy. We're stuck in very close quarters. With no electricity. And no heat other than what we can generate...

King's Crown is a stand-alone novel in the Oil Kings series written by an award-winning author.
