

Live Your Life to the Fullest

author: Elbert Hubbard

2026-06

Synopsis

authori¼š	Elbert Hubbard
readByi¼š	Deaver Brown
inLanguagei¼š	english

The wit and wisdom of Elbert Hubbard - this is the first book to give your children. It covers everything from people and work, to education, training, medicine, and religion, to courtesy, business, family, and work again, to the key to longevity, the "Creed of the Future", becoming the boss, and America and the importance of freedom. A track on Hubbard's thoughts over many subjects. A must listen.
