Synopsis

author	Maggie Hasbrouck
readBy	Julia Farmer
inLanguage	english

Smart, surprising, and laced with a distinctly dark edge, *Muriel Avenue Sluts* is a provocative and ambitious story of suspense, revenge, love, and family ties - all in the most unexpected of places.

Seventeen-year-old Julia Turnbow's mother gets paid to have sex; that's just how it is. When Jules turns 18, she plans to follow in her mother's footsteps and join the exclusive world of Philadelphia's infamous Muriel Avenue Sluts. But before all that happens, she has just one wish - to fall in love.

Just when things seem to be going her way, Jules' world is knocked off its bearings. Her best friend, Anna, reveals that she's being abused by one of Muriel Avenue's gentleman clients. After a routine haircut and shave, Anna's abuser falls to his death from a second-story balcony - and Jules is just one of two people who knows exactly what happened.

To complicate matters, Jules dives head first into a friendship with the daughter of the dead man. Greta's a train wreck: She's charming, unpredictable, and has one too many questions about Muriel Avenue. Then, Jules puts all of Muriel Avenue at risk with an ill-timed slip of the tongue, and she finds herself wanted by the FBI. Running from everything she's ever cared about, all Jules wants is to get back to the people she loves.
