Nate Monson was gorgeous, obnoxiously wealthy, and a player. He was also the person who could destroy my world with a single decision.

I walked into that bar looking for him. He saw me. I saw him. The chemistry sizzled between us, but *no*.

I hated Nate Monson. I hated him with everything in me, even though my body *did not*. It didn't matter.

Nothing I wanted mattered. He thought I wanted to get laid. What I wanted was for him to disappear.

But first, I had to tell him that he had a daughter.
