## Synopsis

---

author	Christopher Dowell
readBy	Tom Haire
inLanguage	english

Something is watching Martin Alther and his family. When Alther comes back home for an announcement from his uncle, he is told that something is in the mansion with them. While he and his family bicker and try to leave his uncle's mansion, the thing sits back and watches, waiting for its chance to sate its thirst for misery. Will Alther and his family stick together and survive? Or will they tear each other apart?
