Micah Barak rescued his mate from the clutches of his abusive father, but Oliver was too young to claim. As Oliver lashed out at everyone around him, Micah was determined to protect him, reminding the pack of their mates' own shortcomings. Now 18, lonely, and desperate, Oliver is trying to give up the hatred that's long claimed him. He longs for Micah's heart and body, but will his old ways let him truly open himself up to love? One night, driving home, they're run off the road by wolves out to kill Oliver for thwarting the violent attempts of the Eastern pack's ex-alpha, Jackson. Oliver, so used to being defiant, is now a target of rogues with no sense of playing by the rules. Will Micah finally claim Oliver - if he can keep him alive - or has the young man's bitterness gouged a hole too deep?

Note: Each book in Lynn Hagen's Brac Pack collection features a different romantic couple. Each title stands alone and can be listened to in any order. However, we recommend listening to the series in sequential order.
