Loren Long - recipient of two Golden Kite Awards - delivers a whimsical story of friendship and perseverance. Otis is a kind, hardworking farm tractor who befriends a motherless calf. After work, he and his pal love frolicking together in the fields - until one day Otis is replaced by a new tractor. Left to rust in the weeds, he feels useless and no longer wants to play. But when the calf gets in trouble - and firemen canâ€™t even help - Otis revs up to rescue his friend.
