## Synopsis

---

Welcome to part two of Linda Sue sharing her journey with Bump as she shares a few things she wish she knew while going through it all. She shares with us the last few days with Bump which was difficult for her but we feel it was therapeutic for Linda Sue to share with all of us and so appreciate that she did. It is our hope that what our guests share is helpful to one of you listening. This is why we are doing this podcast..to help one another through and on this journey. So, thank you again Linda Sue for sharing.<br><br>Thank you for listening each week. <br>If you have a topic you would like us to discuss or wish to share your thoughts on any episode, please email us at:<br>lewybodyrollercoaster@gmail.com<br>Until next week...<br><br>Disclaimer: We are not medical personnel nor are we offering medical advice. We are sharing our thoughts and experiences with others to let everyone on this journey know they are not alone. </p><p>Support the show</p>
