author: Philip K. Dick

2026-06

Synopsis

author	Philip K. Dick
readBy	Tanya Eby, Luke Daniels, Peter Berkrot, Jeff Cummings, Patrick Lawlor
inLanguage	english

The Stories Behind the Series

Though perhaps most famous as a novelist, Philip K. Dick wrote more than 100 short stories over the course of his career, each as mind-bending and genre-defining as his longer works. *Philip K. Dick's Electric Dreams* collects 10 of the best. In "Autofac," Dick shows us one of the earliest examples (and warnings) in science fiction of self-replicating machines. "Exhibit Piece" and "The Commuter" feature Dick exploring one of his favorite themes: the shifting nature of reality and whether it is even possible to perceive the world as it truly exists. And "The Hanging Stranger" provides a thrilling, dark political allegory as relevant today as it was when Dick wrote it at the height of the Cold War.

Strange, funny, and powerful, the stories in this collection highlight a master at work, encapsulating his boundless imagination and deep understanding of the human condition.
