Even though public speaking is the most common of all fears, it doesn't have to be a roadblock on the path to your success. Whether you're speaking to five or 500, you can learn to do it with confidence and charisma. The best advice from some of the world's most inspiring speakers is gathered right here. These powerful tips and techniques will help you develop winning material, mentally prepare for your presentation, and communicate a powerful message. Besides the basics of public speaking, you'll also learn how to think on your feet, play off your audience, and banish anxiety and stress. Make your next speech a dynamic presentation full of energy and personality.

Contents include: "Compelling Stories: The Inside Story"â€”Patricia Fripp; "Creating an Effective Presentations: Preparing for Success, Controlling the Environment, and Overcoming Fear"â€”Laura Stack; "Yikes!
