Are you planning on bringing home a puppy? Do you feel like you are in over your head? If you would like to benefit from training your puppy from day one to start reinforcing good behavior and learning basic commands, then this book is a 100 percent must for you!

Most behavioral problems within puppies begin on the very first day. There are many things that new dog owners may not know to look out for or how to tackle a certain problem. By listening to this audiobook, you will attain the knowledge you need to you get started with the basic training for your pup. It will help you identify common behavioral issues in dogs, solutions to mitigating bad behavior, a guide to basic puppy care, and most importantly, the proper training techniques. In this *Puppy Training Guide*, you will find information that can help guide you through your whole journey. In this audiobook, you will find the following benefits:

- You will learn all the basic needs to take care of a healthy puppy
- You will achieve a good understanding of what to expect in each stage of life in a puppy
- You will learn all the benefits that come with training your puppy properly
- You will learn about the multiple types of puppy training
- You will learn the most common dog behaviors and how to tackle these issues
- A guide to the most effective puppy training techniques
- A guide to help you decide if DIY training or puppy school is more suitable for you
- Bonus: Fun games to play with your puppy!

This audiobook is the perfect guide for you to learn not only how to train your puppy, but the necessary things to look out for during their puppyhood. There are a lot of elements that people don't think about when they adopt their puppy such as what to feed them or how often to feed them. A lot of novice dog owners tend to have very little knowledge on the basics of puppy care which then leads to future health problems for their pooch. This audiobook will help you prevent this by providing you with several guides on determining the necessary

nutrition for your pup, puppy hygiene, dental care, neutering, and proper socialization.

You will also be provided with the most effective training techniques that are puppy-specific. This way, you will have a better idea of what type of training will suit your specific dog and your own lifestyle. If you are considering puppy school for your dog, this audiobook equips you with a comparison and cost benefit analysis of doing the training yourself and puppy school.

Even if you have not owned a dog before in your life, *Puppy Training Guide* will give you the tools needed to help you become an expert.

If you are someone who is looking to learn more about puppies and is not sure where to begin, this audiobook will help you become more well equipped and educated enough to have a deep and loving companionship. Your pooch will thank you for it!

Buy *Puppy Training Guide* today and learn everything that is necessary to becoming a responsible and knowledgeable dog owner.
