*Romance Rules for Werewolves* is the magical romantic comedy set in a charming seaside village that you've been waiting for. It's a grumpy-sunshine romance between a sexy boat-building werewolf and a witch who's trying to start over. When she inherits a rambling old house from her grandmother, she gets the perfect opportunity. Sparks fly when the only available living space is with the grumpy werewolf. Expect lots of witchy vibes, a familiar with attitude, and the perfect cozy setting to escape into this fall.

*Romance Rules for Werewolves* is the third in a series of stand-alone romances set in the seaside village of Charming Cove. The books do not need to be listened to in order.
