After a decade spent claiming a throne for himself in the seething violence of the criminal underbelly, all Donatello Vanici craves now is peace. Only a union forged between his heir and the most powerful mafia family in existence could ever be strong enough to end the bloodshed for good, but the Stepanov head resists his overtures at every turn... Until tragedy strikes, and forces Donatello's hand. Haunted by a past that dogs her every thought, Willow Stepanov will do anything for the man who adopted her until a chance encounter with the enemy lands her right in the middle of a dangerous power struggle and a war that grows more violent and vicious each day. But it's not just her future her captor holds hostage. He is a man with nothing left to lose while she may just lose everything. Her life, her family, and her heart!

Mice and Men is a new stand-alone series in the War of Roses Universe.
