Spiritual Power of Man's Word Man's word is Spirit in man. Words are sounds occasioned by the vibrations of thoughts. Thoughts are vibrations sent forth by the Ego or Soul. Every word that leaves your mouth ought to be potent with your genuine soul vibration. Words in most people are lifeless because they are automatically put forth into the ether, without being impregnated with soul force. Too much talking, exaggeration or falsehood used in connection with words is just like shooting bullets out of a toy gun, without the gun powder. That is why the prayers or words of such people do not produce any desired definite change in the order of things. Every word you utter you must mean it, ie, every word you put forth must represent not only truth, but some of your realized soul force. Words without soul force are husks without the corn.

Words that are saturated with sincerity, conviction, faith, and intuition are just like highly explosive vibration bombs, which when let out, are sure to explode the rocks of difficulties and create the change desired. Avoid speaking unpleasant words, even though they are true. Words must be intoned according to the convictions within. Sincere words or affirmations repeated understandingly, feelingly, and willingly are sure to move the Omnipresent Cosmic Vibratory Force and render you aid in your difficulty. Only appeal to that Force with infinite confidence, casting out all doubt and the spirit of looking for the desired result. If you don't do this, your appealing attention is deflected and side-tracked from its objective mark. Besides you cannot sow the vibratory prayer seed in the soil of Cosmic Consciousness, and then pick it out every minute to see if it has germinated into the desired result or not.
