The fourth installment in the exciting Pirates of Britannia medieval pirate series!

AD 1445 - Rhoan de Wolfe has lost himself in the mystique of the powerful pirate known as Lucifer, the mysterious first mate of the leader of the pirates of Britannia. A man with no past and no future, Lucifer deliberately keeps the details of his life private, but the truth is that a falling out with his father years ago has turned him into something dark, bitter, and brooding. But he is the best pirate in the group known as Poseidon's Legion, a band of English pirates based in Cornwall.

When Lucifer and his mates intercept a merchant ship sailing from Ireland to Plymouth, little does Lucifer realize the treasure on board the vessel goes far beyond monetary gain. A woman named Genevieve proves to be far more than merely a captive, and in that instant, Lucifer's life is changed forever.

Genevieve Efford was aboard her father's merchant vessel, traveling back to England to marry her betrothed, when the pirates attacked. Genevieve is a woman with strong ideals, and she is vehemently opposed to marrying a man she does not love. Being captured by pirates is almost preferable, but Genevieve is a lady who does not easily surrender.

Even as she plans to escape, the big, brooding pirate known as Lucifer captures her interest. For a man who has sworn off women, Lucifer is reluctantly drawn to the fiery lass. It is an attraction he cannot ignore, and unexpected passion ignites between two people who have different ideals in life.

Genevieve is the fire to his ice, but when a treacherous pirate in Lucifer's ranks seeks to separate Lucifer from his lady, the bond between Lucifer and Genevieve is something that cannot be broken.

Join the man named for a fallen angel and the woman he loves in a tale of romance, excitement, and most of all, pirate adventure as the Sea Wolfe rules the high seas.
