

Short Horror Stories: Volumes 13 & 14

author: Scare Street, Ron Ripley

2026-06

Synopsis

author	Scare Street,	Ron Ripley
readBy	John Pirhalla	
inLanguage	english	

Whispering voices tell a sinister tale.... Spooky tales told around a crackling campfire. Urban legends that hide a shadow of truth. Tales of dreams and nightmares with endings you never see coming. Everyone loves a good shiver now and then.

Scare Street is proud to present volumes 13 and 14 of Short Horror Stories in a single edition. Six bone-chilling tales of supernatural horror, each one guaranteed to satisfy your addiction to terror. Just be sure you keep your guard up as you listen to them into the night.

They say one good story deserves another. And the spirits within these collections have their own tales to tell.

If you're not careful, the next ghost story they whisper in the graveyard may be yours!
