The Threat of War with Iran Grows Day by Day

Bible prophecy expert Mark Hitchcock, PhD, is noticing a dangerous trend: the nation of Iran remains in the newspaper headlines for all the wrong reasons. In **Showdown with Iran**, he reveals why this rogue nation is so dangerous and how that connects to what the Bible says about what's to come while encouraging listeners to remain alert, aware, and hopeful as the end times near. He tackles questions such as:

- Does Iran still plan to wipe Israel off the map?
- What does this mean for the future of the Middle East?
- Where does Iran stand in Bible prophecy?
- What will be the role of the United States in Bible prophecy?

The warning of what will happen is not new.

In the book of Ezekiel, the Bible records a multitude of predictions about the region then known as Persia as well as about the nation of Israel. These ancient prophecies foretell an end-time rise of Iran, as well as Russia and Turkey. But are the prophecies still unfulfilled today?

Hitchcock is convinced Iran continues to play a central role in bringing about chaos in the Middle East. In **Showdown with Iran**, he explores the continued validity and accuracy of end-time prophecy and answers questions that will become increasingly relevant as the end times draw near.
