Could a part-time side hustle make you 10,000 dollars per month in passive income and allow you to travel the world?

Does your day job not excite you like it used to? Are you tired of the nine-to-five grind only to find out that your bank account stays the same month after month? Are you tired of working for someone else's dream? Do you feel like you are an entrepreneur at heart but have no clue where to start? Maybe you have a great idea for a side business but no capital to get started.

This book was designed to show you step-by-step on how you can create monthly passive income that gives you the freedom to travel and experience the world as the way it was meant to be experienced.

Whether you are a stay at home mom, a broke college student or a full-time employee, this book will show you the tricks to generating passive income doing what you love.

From selling on Etsy to creating a brand on Amazon, author James Bradley shows you exactly how to create capital if your broke and then invest it into a business that will pay you while you sleep.

In this book, you will discover:

- How to generate capital with no money
